

Zjistění AppID pro Facebook.

1.) na stránce <https://developers.facebook.com/> vybereme APPS – Create New App

2.) vyplníme Display Name a vybereme Kategorii

3.) Následně na stránce Aplikace vidíme AppID

A screenshot of the Facebook App Dashboard for an application named 'aplikace'. The App ID '582076865243257' is highlighted with a red circle. The dashboard includes sections for 'Facebook Login' (with Active Users and Trend charts) and 'API Stats' (with Calls, Errors, and Average Request Time). The left sidebar contains navigation options like Dashboard, Settings, Status & Review, App Details, Roles, Open Graph, Alerts, Localize, Canvas Payments, Audience Network, Test Apps, and Insights.
